🧍 EYFS Science: Parts of My Body

Understanding Our Amazing Bodies

Dear Parents and Carers,

This term, we will be learning about our amazing bodies. We all have different bodies, and our body parts and organs work together to help us **move, learn, breathe and grow**.

What Will We Learn?

👋 My Body
We will identify and name body parts: **head, neck, shoulders, arms, hands, back, tummy, hips, legs, knees, ankles and feet.**

😊 My Face
We will explore facial features including **hair, skin, eyes, ears, nose, cheeks, mouth, forehead and chin.**

🦴 My Skeleton
We will learn that our **skeleton is made of bones**. Bones give us **shape and support, help us move, and protect important organs** such as the brain and heart.

❤️‍🩹 Inside My Body
We will discover some of our **internal organs**:

- **Brain** – helps us think and control our body.
- **Lungs** – help us breathe.
- **Heart** – pumps blood around our body.
- **Bowel/Intestines** – help process food.

Key Skills

Children will explore and name **body parts, facial features, bones and internal organs**, and begin to understand what they do.

Key Vocabulary

body • body part • facial features • skin • bone • skeleton • skull • organ • brain • lungs • heart • bowel • intestine • inside • outside • protect • support • move • breathe

🌿 EYFS Geography: Outdoor Adventures

Exploring Our Natural World

Dear Parents and Carers,

This term, we will explore our **natural world**, using our senses to investigate our school and local area and notice changes in **weather and seasons**.

What Will We Learn?

🌳 Places & Environments

We will explore and describe places around us, noticing features such as **hills, fields, roads and buildings**, and compare different environments.

🌦️ Weather & Seasons

We will observe the **daily weather** and learn about **Spring, Summer, Autumn and Winter**, noticing how seasons affect nature.

🌊 Water

We will learn about different bodies of water: **sea, ocean, river, lake and pond**.

Key Skills

Children will **explore, observe, describe and compare**, ask questions and record their observations through **drawings, pictures and models**.

Key Vocabulary

explore • observe • describe • compare • environment • nature • season • weather • change • sea • ocean • river • lake • pond • hill • field • road • building • house

🎨 EYFS Art: Paint My World

Painting & Mixed Media

Dear Parents and Carers,

This term, we will explore **painting and mixed media**, experimenting with colours, materials and techniques to create our own artwork.

What Will We Learn?

🎨 Colour & Lines

Name and mix colours, explore different lines and create patterns.

✋ Texture & Materials

Explore textures and use brushes, hands and **natural materials** to make marks and effects.

🧩 Mixed Media

Combine materials to create **collages and artwork**.

💭 Ideas & Feelings

Use art to express **ideas and feelings** and talk about our creations.

Key Skills

Children will **explore, experiment, create and share ideas**, talk about their artwork and develop confidence in expressing their opinions.

Key Vocabulary

colour • mix • line • pattern • texture • paint • explore • experiment • artist • collage • material • create • inspired • ideas • feelings
